Veterans Day

Honor Our Veterans

Veterans Day, which is November 11 each year, is a holiday to honor America's veterans for their patriotism and willingness to serve and sacrifice for our nation's common good.

Christians follow the Prince of Peace, so war is a dilemma that often challenges people of faith. Some Christians are pacifists, while others believe in a "just war." Many believe that the goals of freedom, justice, equality and democracy are worth the cost required.

Whatever individual Christians decide about any given conflict, most Christians believe that men and women who strive to make this world free of tyrants are to be respected. As Winston Churchill said, "Never in the field of human conflict was so much owed by so many to so few." Thank you to all the men and women who served or are now serving our country.

Evangelism

It is easy to determine when something is on fire.

It ignites other material.

Any fire that does not spread will eventually go out.

A church without evangelism is a contradiction in terms,
just as a fire that does not burn is a contradiction.

Thank you Jean Westermann for submitting this.
